# connachar

Connachar is a 9m Rigid Inflatable built by Delta.

Based in the Outer Hebrides: available for hire throughout the UK and surrounding waters.

This boat is ideal for survey work, diving, filming platforms, safety standby and fast passenger transfer.

Delta 9.0 metre RIB  
Yamaha 240 hp deisel  
Long range fuel tank  
MCA (CAT 3) 20 miles 12 +2 persons  
G.P.S. (for accurate location)  
Chart Plotter (for accurate navigation)  
V.H.F. Radio communication  
D.S.C. (Emergency location positioning)  
Life Raft for 14 persons  
Stern boarding platform  
Connachar comes with its own road trailer

Connachar with its deep v hull makes for a comfortable ride in most sea states. The front seats are all removable to give large amounts of deck space for carrying up to 1000kg in cargo. The cowains driving position is raised at the stern to give very good visibility, with a wrap around screen to give added protection.
